

Dear Friends,

Intermountain Yearly Meeting's Nominating Committee needs to know you better so we can match your spiritual and practical gifts with the IMYM community's needs. We composed this interest survey so you could tell us what areas of Quaker service seem right to you at this time. We ask you to consider your responses deeply. The Committee will use the survey responses as one input to our discernment process as we assemble a slate of committee members and meeting officers. We'll present the slate for consideration and approval at the yearly meeting sessions next summer.

To remind you of the varieties of service available, a list of our working groups, delegations, committees and offices appears on the last page.

We will keep your information secure and after five years we may ask you to update it. You can update your details at any time to reflect changing circumstances by contacting our Committee Clerk. Completing this form does not guarantee you will be asked to serve, neither does it put you under any obligation, but it will help us find the most appropriate Friends to ask.

Members of the Nominating Committee will answer any questions you may have or you could look at the position descriptions on the [imym.org](http://imym.org) website. We welcome the service of all Friends. To discuss how we can meet your access or support needs please contact us. Send questions or completed forms by email to <[IMYMNomComClerk@gmail.com](mailto:IMYMNomComClerk@gmail.com)>, or by postal mail to:
